

Game - Good Sport, Poor Sport

Rules:

2-6 players. Game board, game pieces, die and 2 game card sheets enclosed.

1. Each player rolls the die; highest roll starts first.
Play goes to the left.
2. Each player moves the number of spaces of the throw.
3. Players who land on a “Smiley” face may take a shortcut across the bridge unless they are already moving backward.
4. Players who land on a “Frowney” face must go back across the bridge unless they are moving backward.
5. Players who land on a DRAW A CARD space pick up a card, read it out to the other players, then follow the directions on the card. Players who are moving back five spaces do not draw another card if they land on DRAW A CARD space. If the card says DISCUSS, other players talk about the situation, then vote whether the player should go back or roll again.

(Note: cut cards on dotted lines. Shuffle and place on the board. Blank cards may be filled in with directions of your choice.)

You are running a race with your little brother and the dog knocks him down. You let him start over.

Discuss

When you are playing this game, the board shakes and your piece falls over. The other players don't remember where you were but you do. You put the piece back where it belongs.

Roll Again

You are in a jump-rope contest and the person who goes before you does very well. You think you will lose, so you say your leg hurts and you can't jump.

Go Back 5 Spaces

You have to write a book report, but you don't have time to read it. Your sister reported on the same book 2 years ago and got an A. You find it in a file on the computer and copy it.

Go Back 5 Spaces

You are running in a race and are getting behind, so you pretend your shoe is untied and you can't go on.

Go Back 5 Spaces

You are losing a game of checkers so you say the other player is cheating and you quit.

Go Back 5 Spaces

You get mad when your friend beats you at one-on-one so you take your ball and go home.

Go Back 5 Spaces

You are playing a game with your brother. The game is pretty boring, but you think it would be rude to ask him to stop so you intentionally lose.

Discuss

You are playing Monopoly and are losing. Your friend has to go home and wants to finish the game tomorrow. Instead, you dump all the pieces into the box and say you'd like to start over.

Go Back 5 Spaces

When you are playing this game, the board shakes and your piece falls over. The other players don't remember where you were, but you do. So you put the piece a few spaces ahead.

Go Back 5 Spaces

You get a good hit in softball and think you can get to second base. But the second baseman says he tagged you. You think he's wrong, but everyone agrees with him. You get mad and leave.

Go Back 5 Spaces

You are at a soccer kicking competition and you place second. You are pretty upset with the girl who beat you, but when she asks you how you did, you answer politely and strike up a conversation. Turns out she's pretty nice.

Roll Again

You copy from a friend and get an A on a test.

Go Back 5 Spaces

You moved a piece on the game board when no one was looking.

Go Back 5 Spaces

You are playing a video game with a friend and you are way behind. So you "accidentally" hit a key that clears the scores.

Go Back 5 Spaces

Your team lost the softball game and you blame a friend for dropping the ball.

Your friend's family just bought a CD 'burner' that can copy CD's. He has many CD's you really like, and asks you if you want some copies. You refuse his offer.

Discuss

You don't want to play a game because you are afraid you will lose. But you play anyway and have fun.

Roll Again

Your friend's family just bought a CD 'burner' that can copy CD's. He has many CD's you really like, and asks you if you want some copies. You accept his offer.

Discuss

Your friends all want to play catch, but you wanted them to go bike riding with you. You decided you would rather be with them than get mad.

Roll Again

You get a good hit in softball and think you can get to second base. But the second baseman says he tagged you. You think he's wrong, but everyone agrees with him. So you go on playing.

Roll Again

You are looking forward to the track meet. You have a sore foot but want to run anyway. Coach puts someone else into the relay. You agree that it will be best for the team.

Roll Again

You are running in a race and are getting behind. So you think you will pretend your shoe is untied. Instead, you decide to do your best.

Roll Again

You are playing with a friend when someone else asks to join the game. You don't like the idea, but you agree because your friend wants to say yes.

Roll Again

Your friend gets mad because he is losing a game, and wants to stop. You say, "Okay, we can play another time."

Roll Again

You can see your friend's answers when you are taking a test. You know the friend always gets a good grade. But you decide to figure out your own answers.
